Rose State College Degree Programs 2023-2024

Rose State College offers two types of degree programs: the four-year college or university parallel and the technical. University parallel provides students with the first two years of course work toward a baccalaureate degree and culminates in the Associate in Arts or Associate in Science. Technical programs prepare students for immediate job entry, facilitate advancement in current employment, or train for new areas. The degree is titled the Associate in Applied Science. Many of the technical areas also include one-year certificates.

A Message From the Office of Academic Affairs

Welcome to Rose State College.

Our faculty and staff are dedicated to your success at RSC. If graduation is your goal, and we hope it is, we want you to think "15 to finish." Take 15 credit hours or more each semester to graduate in two years. After graduation, you will be prepared to transfer to a four-year institution, start or continue a career, and pursue your lifelong dreams.

Also, take advantage of the multitude of resources at your disposal, including academic tutoring, a wellness center, and campus activities offered by Student Engagement. As you become a part of this diverse and vibrant college community, you will discover firsthand that going somewhere truly does start here.

College Vision, mission & Values

College Vision

Supporting, serving and advancing the common good - sustaining and advancing a tradition of excellence.

College Mission

As a public and open admission institution that grants associate degrees, Rose State College provides higher education programs and services intended to foster lifelong learning for a diverse population.

Strategic Vision

By constantly creating and improving learning programs and services that are measurably effective and keenly matched to the needs of our students and community, Rose State College will be recognized as one of the nation's premier two-year colleges, distinguished by:

- Superior student retention and success rates;
- A growing multi-cultural and multi-generational student body;
- Development and efficient use of fiscal resources;
- Exceptional quality and diversity of programs and personnel.

Values

Learning — The College is a learner-centered institution that regards students as partners in the learning process and supports them in meeting their educational goals.

Excellence — The College establishes high standards designed to promote and sustain learning in an innovative environment, thereby honoring the trust of its internal and external stakeholders.

Integrity — The College maintains fair, honest, accurate, and consistent policies and procedures to assure credibility and accountability.

Service — The College builds lasting relationships with the communities it serves - recognizing the unique opportunity it has to positively impact the lives of both students and the greater citizenry.

Diversity — Acknowledging the value of diverse backgrounds and perspectives, the College is a place of diversity, civility, and collegiality, and celebrates the benefits of mutual learning and growth from all.

Admission to Rose State College

Application Procedure

Submit an application for admission to the Office of Admissions and Records online, by mail or in person. (High school junior and senior concurrent students should contact their high school counselor prior to submitting an application.) Enrollment for new students begins April 3, 2023.

DEGREE-SEEKING STUDENTS enrolling beyond 9 credit hours will need to provide official transcripts and the ACT or an acceptable battery of tests. Students applying for Financial Aid must meet degree-seeking criteria.

NON DEGREE-SEEKING STUDENTS may enroll in no more than 9 credit hours without official transcripts.

Enrollment Procedures

Accuracy of the student's schedule of classes is the student's responsibility. Please bring current photo identification. After admissions procedures have been fulfilled, students will report to an advisor to complete the following procedures:

- 1. Review, with advisor assistance, the curricular requirements for program completion and assessment requirements for course selection and select a major.
- 2. Report to the Enrollment & Specialized Testing Center in Student Services Building for placement testing, if necessary. Return to advisor to review testing results.
- 3. Receive a computer copy of course schedule with enrollment fee payment information.

Advisement areas

New students (no prior college credit) & undecided majors — Student Services Building, Room 100 Business & Information Technology majors — Business Building, Room 107 Health Sciences majors — Health Sciences Center, Room 101 Humanities majors — Humanities Building, Room 107 Engineering & Science majors — Science & Math Building, Room 120 Social Sciences majors — Social Sciences Building, Room 107

Military or Civilian Personnel at TAFB

Active duty military personnel and civilian employees of Tinker Air Force Base may complete the admissions and enrollment procedures in the TAFB Education Service Center, Building 201SE, at 1st and "C" Avenue, with the Rose State College Counselor; or they may report to the Office of Admissions and Records at Rose State College to complete the admissions procedures. For additional information, call (405) 739-5774.

Students in Good Academic Standing

- 1. Report to the appropriate advisement area for registration beginning March 27, 2023, for the Summer 2023 semester or enroll self-advised through the Academic Advisement Center or online.
- 2. Report to Administrative Services, Cashier's Window, for payment of fees; or you may pay by mail.

Students on Suspension

- 1. Report to the Office of Admissions and Records (Student Union Atrium, Joe and Charlene Cole Student Services counter) in order to obtain a form permitting enrollment.
- 2. Proceed to the appropriate advisement area (see list above) for enrollment.
- 3. Report to Administrative Services, Cashier's Window, for payment of fees; or you may pay by mail.

All English-As-A-Second-Language Students

Report to the Office of Admissions and Records for Immigration status verification. This applies to all returning students and new students. For additional information, please contact the Assistant Director of Admissions or Coordinator in the Office of Admissions and Records, Student Union Atrium, Joe and Charlene Cole Student Services counter.

Any student for whom English is a second language will be required to present a minimum score of 61 on the Internetbased TOEFL exam (173 on the computer-based exam or a 500 on the paper-based exam) or score a 5.5 or higher on the IELTS examination for admission. SCORES MUST BE AVAILABLE BEFORE ENROLLMENT. Admission will be made on an individual basis for students previously enrolled at Rose State College or any other college or university. Appointment scheduling for TOEFL testing is available by calling the Candidate Services Call Center at 1-800-GO-TOEFL. TOEFL test scores will be mailed to Rose State College by entering the institution code number 6559 on your score request form. For information regarding the IELTS exam, please visit www.ielts.org

ACT Test

National ACT Tests are available FEBRUARY, APRIL, JUNE, SEPTEMBER, OCTOBER, and DECEMBER. ACT On-Campus testing may be scheduled. (Please note: ACT On-Campus is only valid for the college where it is taken.) For more information, and to schedule a test date, contact the Enrollment and Specialized Testing Center in Student Services Building, Room 204, (405) 733-7320.

Methods for Completing High School Curricular Requirements

Students admitted to Rose State College who are pursuing Associate in Arts or Associate in Science degrees must meet all high school curricular requirements within the first 24 credit hours attempted; if curricular requirements are not removed within the first 24 credit hours, their enrollment will be limited to deficiency removal courses only. (Zero-level courses are not counted in the 24 hours.) Transfer students with deficiencies must meet all their curricular requirements within the first 24 credit hours (total coursework attempted at any institution) or their enrollment will be limited to curricular deficiency removal courses only. Probation transfer students must meet all deficiencies by the first 12 credit hours.

Shown below are the ways that a student may remove a curricular deficiency and the restrictions that apply to that method.

ACT Test Scores English — 19 Science — 19 Math — 19 Satisfactory Scores on Locally Administered Placement Tests English — Writing Science — Quantitative Reasoning & Algebra Math — College Level Math Test

(Students may test twice during each enrollment period. Spring is one enrollment period. Summer and Fall combined are one enrollment period.)

Deficiency Removal Classes

English — ENGL 0133 or concurrent enrollment in ENGL 0142 or ENGL 0131 Science — Chemistry — concurrent enrollment in CHEM 0141 Math — STEM Track: MATH 0144 or concurrent enrollment in MATH 0151 FUNCTIONS Track: MATH 0144 or concurrent enrollment in MATH 0181 Non-STEM Track: MATH 0124 or concurrent enrollment in MATH 0141

History & Citizenship

Two college-level courses from the following prefixes: ECON, GEOG, HIST (The additional history class may be used to satisfy one of the student's Humanities or Liberal Arts and Sciences requirements for General Education), POLS or from courses the College has designated as +Non-Western Culture; ENGL 2233, Native American Literature; HIST 2503, American Indian History; PHIL 2203, Philosophy of Religion.

Other

For each deficiency identified in this area, a college-level course (minimum of 3 credit hour courses) from CIT, ECON, FREN, GERM, GEOG, POLS (except POLS 1113), and SPAN or from the +Non-Western Culture courses: ENGL 2233, HIST 2503, and PHIL 2203.

+Courses that have a cultural base other than Greco-Roman/European

Transferring into an Associate in Arts or Associate in Science Program

Students with curricular deficiencies may not transfer from an Associate in Applied Science degree program into an Associate in Arts, Associate in Science, or a Baccalaureate degree program until all of the high school deficiencies have been removed.

Performance Proficiency In English, Mathematics, Science, and Reading

ACT subscores of 19 in the four subject areas of English, mathematics, science, and reading are used as a "first-cut" in determining student readiness for college. If students score below 19 in the tested discipline area, they will be required to remediate in that area, or, consistent with the institution's approved assessment policy, undergo additional testing to determine their level of readiness for college-level work. Following examination, students found under-prepared for college-level work will be required to successfully complete the appropriate remediation. Students who lack 2 performance deficiencies must enroll in EDUC 1103 College & Life Strategies. All Performance Deficiencies must be met within the first 24 credit hours attempted.

Computer Proficiency

Students majoring in transfer degree programs will be required to demonstrate computer proficiency before graduation. Demonstration of proficiency will include the following skills:

- Defining and properly using common computer terminology.
- Installing, saving, and organizing information stored on a computer.
- Using a Windows® environment.
- · Operating software for word processing, spreadsheets, and database management.
- · Using the internet.
- Demonstrating how to use computers to perform a task or solve a problem by defining appropriate applications of hardware and software.
- Successful completion of any 3 credit hour online course.

Graduates may demonstrate these competencies using one of several alternatives. Please see the 2022-2023 Rose State College Catalog, page 43, for a list of alternatives.

ENROLLMENT

Rose State College will make every attempt to implement this class schedule and related activities as printed. However, various circumstances could necessitate changes in scheduling, and/or professors, or dates, which will be at the discretion of the College administration. Students should check for schedule changes in OASIS.

Ways to Enroll

Enroll early to avoid the stress of closed classes and long lines.

Advised Enrollment

Academic Advisor-Assisted Enrollment — Required for new students and students on probation, suspension, or academic notice. First-time students consult with academic advisors in the Student Services Building, Room 100. Returning and transfer students see the appropriate advisor in their division area. (See Page 5 for advisement areas.)

Independent Enrollment (for returning students in good academic standing who are prepared to self-advise)

Internet enrollment — Web enrollment available on RSC website (www.rose.edu/content/academics/enrollment). A valid student ID number and password are required. Course availability and student records can also be accessed online.

Accuplacer Testing Fees

The first Accuplacer attempt will be free of charge for each of the three sections (Reading, Writing, and Math). All future Accuplacer attempts will incur a \$5.00 charge per section with a maximum charge of \$15.00 for all three sections (Reading, Writing and Math).

Student Responsibility

Accuracy of the student's schedule of classes is the student's responsibility. The student is also responsible for processing withdrawals and changes in enrollment. A student begins this process by reporting to the office of Academic Advisement or the appropriate division advisor.

Requests from individuals with disabilities should be made one week in advance by contacting the Americans with Disabilities Act Coordinator. For access to campus events, programs, and services, call (405) 733-7979. For classroom accommodations, call (405) 733-7407.

College Communication with Students

Email

Electronic communication is the official means for communication to the students of Rose State College. The College will send communications to students via Rose State College email and will expect that those communications are received and read in a timely manner.

Thus, all Rose State College students are issued a student email account. The College will direct all electronic communications to the college-issued email address. Students should monitor the College-assigned student email account on a frequent and consistent basis in order to remain informed.

Student Email

Log in Instructions:

To log in to your college email account, go to mail.raider.rose.edu in your web browser. Your student email address is in the format firstnamelastname@raider.rose.edu. If you have both a first and last name in common with another student, to avoid duplicate email addresses, a sequenced number will follow the name in the email address. To verify your email address, you may need to log into the OASIS system and navigate within OASIS following the path: Self Service > Campus Personal Information > Email Address.

Your email username is the part of your email address before the @ symbol. You must use your full email address to log in. Your initial password is your birth date in MMDDYYYY format. Note that the system requires you change your password on the first log in.

EXAMPLE: John Smith — Born on July 1, 1983 Email Username: john-smith@raider.rose.edu Password: 07011983

For assistance or information, go to www.rose.edu and click Student Login in the upper right-hand corner. For assistance contact Information Technology at (405) 733-7356.

Rave Mobile Safety:

Rose State College has partnered with Rave Mobile Safety and AT&T to provide an emergency notification service in support of the Jeanne Clery Act. Our goal is to communicate vital information to each member of our community within minutes of an emergency. After enrolling at Rose State College, your name and email address will be automatically added to Rave. The Rave service, under the direction of Rose State safety officers and administrators, will send you an email and/or a text message in the event of emergencies and weather closures. Including the contact information you register with Rose State College, you may choose to have up to 6 contacts total per person (such as daycare, family or friends) who can all be notified when a Rave alert is sent. To manage your account, please visit: https://www.getrave.com/login/rose

FREQUENTLY ASKED QUESTIONS

General Enrollment Questions & Answers

What is the first step to enrolling?

Complete an admission application online (turn it in at the Office of Admissions and Records). First-time students will be directed to Enrollment & Specialized Testing, if required, or directly to Academic Advisement in the Student Services Building to speak with an academic advisor. (Note: Bring official transcripts.) Returning students go to their major academic advisor. Students will not need to submit the admission application again unless they have missed two or more consecutive semesters at Rose State College.) Students transferring to RSC will go to the academic advisor for the division of their major.

Where can an individual apply for admission?

An admission application can be submitted on the RSC website at https://apply.rose.edu/apply, or at an application kiosk in the Atrium of the Student Union, by the Joe and Charlene Sole Student Services counter where the Office of Admissions and Records is located, (405) 733-7308.

When is the Office of Admissions and Records open?

From 8 a.m. — 5 p.m., Monday-Thursday. Academic Divisions are open until 7:00 p.m. Monday-Thursday.

Where does a student get scholarship information?

- · Office of Admissions and Records: Student Union Atrium, Joe and Charlene Student Services counter or www.rose.edu/scholarships
- · Rose State College Foundation: http://www.rose.edu/nav/alumni-foundation/rsc-foundation/

Where does a student get information about courses offered on the internet?

Both Internet and hybrid courses are listed separately on distinct pages within the schedule. They are also listed in the course section pages and identified by footnote.

How does a student enroll for an Internet course?

Students enroll in Internet and hybrid courses using the same procedure as for traditional courses. For assistance, see: https://www.rose.edu/content/ academics/student-resources/learning-resources-center/academic-innovation/internet-courses/

How do students transfer credits from other colleges?

To transfer credits to RSC, students need to bring or have their official transcripts sent to the Office of Admissions and Records.

Where do Veteran students get VA information?

The Veteran Student Services office is located in the Student Services Building, Room 107.

Where does a student get a photo ID?

In the Student Services Building, Room 100.

Where does a student get a parking hang tag?

In the Student Services Building, Room 100. (Note: Know your vehicle's tag number.)

How can a student tell how many credit hours a course is worth?

The last digit of the course number indicates the number of credit hours. (e.g., English 1113 would equal 3 credit hours.)

How many hours are needed for full-time status?

A student is considered full-time when enrolled in 12 or more credit hours during a 16-week semester, and 6 or more credit hours in an 8-week session. (Students enrolled in non-standard terms and receiving VA education benefits or receiving federal Financial Aid should check with the RSC Veteran Student Services or Financial Aid office concerning what constitutes full-time according to VA regulations or federal regulations.)

How does a student apply for graduation?

Degrees are conferred at the close of each term (fall, spring, summer). The Degree Audit and Application for Graduation form should be completed at the Graduation Office, Student Services Building 100 A & B, at least one semester prior to the semester in which the student plans to graduate. Transcripts reflecting degrees earned are available approximately 4-6 weeks after the close of each term. Diplomas are mailed approximately 6 weeks following the close of the semester in which the degree is earned. For more information, call (405) 733-7332.

When does a student receive his/her diploma?

Diplomas are mailed approximately six weeks following the close of the semester in which the degree is earned.

Does Rose State College have a toll free number?

Yes, 1-866-621-0987

PLACEMENT COMPONENTS

To ensure which classes are right for you, we need to determine your math, reading and writing skills. At Rose State College, we use multiple measures for placement, including unweighted high school GPA, SAT/ACT, transfer or AP credit, and our on-campus placement test, Next-Generation ACCUPLACER (within 3 years).

| For New Students 21 and Under: | | |
|--|--|--|
| HIGH | An unweighted GPA of 3.0 or above will meet the placement requirement for college- level courses with a recommended corequisite pairing. See advisor for more details. | |
| SCHOOL | The GPA must be within 3 years of graduation. High School seniors can use the cumulative unweighted GPA after seven high school semesters have been completed. | |
| GPA | | |
| If you have already taken the SAT or ACT, you may be placed into college-level courses based on: | | |
| SAT/ACT | An SAT score of 510+ for Math or 510+ for Evidence-Based Reading and Writing ACT subject scores of 19+ PSAT and Pre-ACT scores may be considered. | |
| | For a more detailed breakdown of placement scores, go to https://www.rose.edu/content/ academics/student-services/academic-advisement/ to connect with an advisor. | |

If you are not satisfied with your initial placement based on these components, you may take the Next-Generation ACCUPLACER (more details below).

| For New Students over 21 or with Transfer Credit: | | |
|---|--|--|
| Transfer/ | If you have already earned college credit or an associate degree from another college or university, you may be placed based on that information. Visit with an advisor to discuss the | |
| AP CREDIT | possibility of using transfer or AP credit for placement. Go to https://www.rose.edu/content/academics/student-services/academic-advisement/ to connect with an advisor, or come by for a walk-in appointment in the Student Services Building, Room 100. | |
| Accuplacer | If you do not have a cumulative high school GPA that satisfies the assessment requirement, a current SAT/ACT score, or previous college credit, you will be required to take the Next-Generation ACCUPLACER placement test. Scores are accepted up to 3 years and determine which math, reading, and writing classes you should take. To ensure the best placement, students are strongly encouraged to spend time preparing before taking this assessment. Go to https://www.rose.edu/media/9749/accuplacer-prep-webpage.pdf for more information on how to prepare before taking the assessment. | |

The ACCUPLACER has 3 sections. There is no charge the first time you complete the assessment in each section, but all future attempts will be \$5 per section.

You may retest in all areas or in math, reading, and writing individually.

Rose State College Summer Schedule 2023 Tuition & Fees

The student's schedule bill is the student's bill for tuition and fees. Students can print their Student Schedule Bill for any term they are enrolled in by signing into PeopleSoft (Self Service > Student Center under the Finances section click on Schedule Bill). Leave the term blank and click Search (a listing of all semesters should appear for the student).

Payment of Tuition & Fees by Mail

To avoid the lines during the last few days to pay, students are encouraged to PAY BY MAIL at the earliest possible date. All payments by mail must be received by the Cashier's Office by the deadline date to avoid any penalties. All checks and money orders should include the student's name and student number for proper credit.

Payment of Tuition & Fees in Person

Students are also encouraged to come in as early as possible when paying in person. Students paying in person may pay by cash, check, money order, and MasterCard, Visa or Discover credit cards. EXCEPT: Checks are not accepted for payment of prior debts or from a person who has written a bad check to the College. Accounts not paid will be sent to collection 30 days from the last day of the semester.

Fee Refund/Credit Policies

Students are not officially withdrawn unless a withdrawal form is processed through the business office.

Students who enroll in classes and decide not to attend must withdraw from those classes immediately to release space for other students who are registering. The amount of refund due or credit applied to the student is determined by the following policies. These policies are applicable to tuition and other fees charged for College classes.

- 1. Eligibility: To be eligible for a refund or credit, a student must officially withdraw from classes during a refund period by submitting the appropriate form ("Drop/Add" or "Complete Withdrawal"). Neither refunds nor credits are given to students who stop attending class and do not process the appropriate forms.
- 2. Regents for Higher Education Refund Policy: The refund policy with respect to tuition and other fees collected from students at institutions shall be as follows:

Changes in schedules during the defined add/drop period will result in full charges for courses added and full credit for courses dropped. No refunds will be made after the add/drop period for that session except as stipulated for enrollment of Title IV recipients. Deadlines for dropping and adding courses appear in this semester schedule in the "Calendar" section. Drops and adds are processed on the same form.

Debts to College

Refunds issued to students are reduced by any amount the student owed to the College for the current term. When a refund is issued, students should review their account to determine if any past obligations are still owed to the College. Students who have unpaid accounts, either for current semester charges or any other debts to Rose State College, are not permitted to enroll in subsequent semesters; and no student transcripts will be released until all charges are paid in full.

Federal Title IV Return of Funds Policy

Federal law now specifies how a school must determine the amount of federal financial aid* that a student earns if he/she withdraws, drops out, is dismissed, or takes a leave of absence prior to completing more than 60% of a payment period. Students who do not receive a passing grade in any class must be treated as unofficially withdrawn and will be subject to the above policy. Federal law specifies that such a student must be assumed to have stopped attendance at the mid-point of the semester.

1. The amount of federal financial aid assistance that the student earns is determined on a pro-rata basis. Once the student has completed more than 60% of the payment period, all financial aid assistance is considered to be earned.

Percent earned = Number of calendar days completed up to the withdrawal date** divided by total calendar days in the payment period — excluding any scheduled breaks that are at least five days long.

Percent unearned = 100% minus percent earned

2. When a student receives federal financial aid in excess of earned aid,

The school returns the lesser of:

- Institutional charges (tuition and fees)*** multiplied by the unearned percentage, or
- Title IV federal financial aid disbursed multiplied by the unearned percentage.
- The student returns:
- Any remaining unearned aid from the funds that he/she received as financial aid disbursements.
- Any loan funds are repaid in accordance with the terms of the promissory note (that is, scheduled payments to the holder of the loan over a period of time).
- Any grant amount the student has to return is a grant overpayment, and arrangements must be made with the school or Department of Education to return the funds.
- 3. The student is billed for funds the College is required to repay. Federal law requires that the calculation assume that federal aid was used first to pay for education costs. Consequently, a student may owe a payment to the College for educational costs—even if the student received a tuition waiver or other scholarship or assistance. The student's account with the Business Office will reflect any amount owed to the College. Student accounts not paid promptly will be charged a late fee.

4. Students who do not receive a passing grade in any class for a given semester must be treated as unofficially withdrawn and will be subject to the above policy.

*Funds must be returned in the following order:

- Unsubsidized Direct Stafford loans (other than PLUS loans).
- Subsidized Direct Stafford loans.
- Direct PLUS loans (parent or graduate).
- Federal Pell Grants for which a return of Title IV funds is required.
- Iraq and Afghanistan Service Grant, for which a return of Title IV is required.
- FSEOG for which a return of Title IV funds is required.
- TEACH Grants for which a return of Title IV funds is required.

**Withdrawal date is defined as the actual date the student begins the institution's withdrawal process, the student's last date of academically related activity, or the midpoint of the payment period for a student who leaves without notifying the institution.

***Book charges may not be included in institutional costs; however, a student remains financially responsible for any charges made by him/her in the College Bookstore.

Financial Assistance

FINANCIAL AID, Student Services Building, Room 200 — (405) 733-7424 SUMMER HOURS: Monday/Tuesday/Wednesday/Thursday 8 a.m. - 6 p.m.

Federal School Code/Application Procedures

The Free Application for Federal Student Aid is the student's first step in the process of requesting aid. The application is available online (www.FAFSA.ed.gov). The application asks students to identify their school(s) which they wish to receive copies of their results. Summer 2023 applicants need to complete the 2022-2023 FAFSA.

The Rose State College school code is **009185**. Be sure to identify Rose State College as a choice; otherwise, we will not receive your financial aid information from the U.S. Department of Education. If the Rose State College school code has not been reported, your application will have to be corrected to add Rose State College as a school on your Student Aid Report. This will delay processing of your application. Once you have applied, the federal processor will send you a copy of the Student Aid Report. A copy of that report will also be transmitted electronically to RSC, if you have listed RSC as a school choice.

Verification Procedures

Some students are selected by the U.S. Department of Education or the College for a process called verification. If a student is selected for verification, RSC is required to verify the information you have reported on the FAFSA. Such items as federal income tax records and verification of the number of family members would normally be required.

Not all students are selected for verification. If a student, however, is selected for this process, this step must be completed before assistance is awarded. If any of the information requires correction, the student will be informed.

The Award Process

Once your records have been received from the U.S. Department of Education, your application will be reviewed by financial aid staff for completeness. Normally, your application will then be processed for an award. When you receive your award letter, it will summarize the amounts and types of assistance for which you are eligible. An Award Information Sheet is available online for more information. Usually, the application and awarding process takes from 6-8 weeks. This time is necessary for both the federal processor and the College to review your application and certify your funds.

Ability to Benefit (ATB)

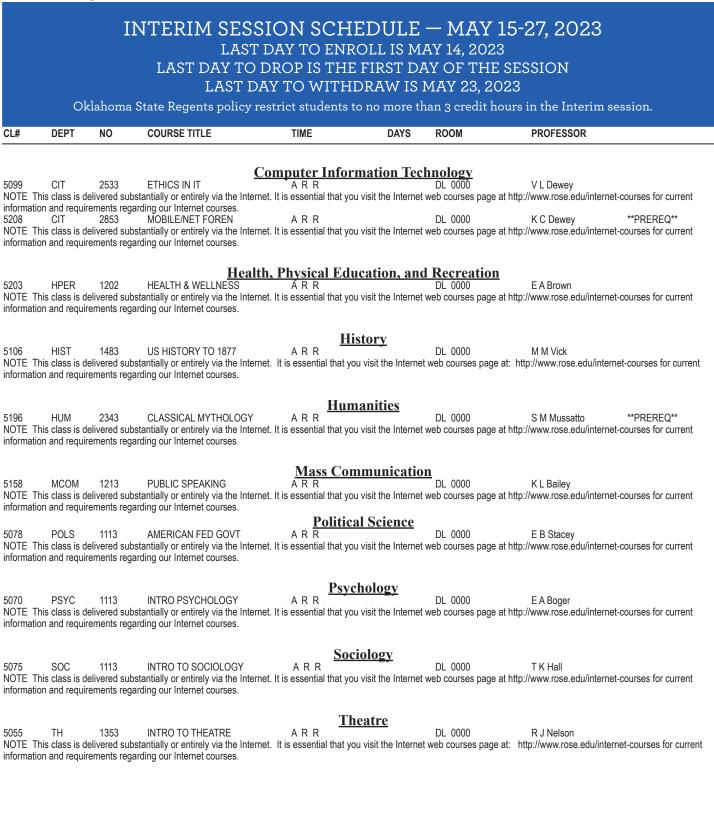

Beginning July 1, 2012, all financial aid recipients must have one of the following in order to be eligible for Federal Title IV student financial aid:

- High school diploma
- GED (General Education Development) certificate

Students who do not have a high school diploma or GED and prior to 7-1-12 were enrolled in an academic program that was eligible for Federal Title IV assistance may still qualify for federal aid. Contact the Financial Aid Office for more information.

Hybrid Classes

The classes below are hybrid classes; they combine on-campus meetings with online work to meet academic requirements. Check the footnotes of the section in which you enroll for more information regarding the dates of on-campus class meetings. Students may consult the college website page for in-depth information on hybrid courses: http://www.rose.edu/hybrid-courses.

Honors Classes

The Honors Program at Rose State College offers students intellectual and cultural enrichment experiences through independent research, faculty mentorship relationships, and conference attendance and presentations. The program supplements all campus degree programs by offering opportunities across coursework to develop enhanced knowledge and skills in their desired fields of study. Students contract with faculty through their coursework to complete additional in-depth and specialized study to earn Honors credit.

Find additional information regarding the Honors Program and eligibility requirements here: https://www.rose.edu/honors

You can also email the Honors Program at honors@rose.edu or call (405) 733-7515.

Class & Program Information

Rose State College Summer Schedule 2023 Concurrent classes

Rose State College provides opportunities for high school students who would like to start their college courses while they are still in high school. High school juniors and seniors who meet policy requirements can participate in concurrent enrollment. Concurrent students may not enroll in remedial (0-level) coursework offered by Rose State College designed to remove high school deficiencies.

Students enrolling in concurrent college classes may be awarded dual credit through their high school. Please contact your high school counselor or appropriate official for detailed information.

Concurrent students have several options for taking courses. Students may attend classes offered on the Rose State College campus, online, and courses offered off the Rose State College campus or via Interactive Television (ITV).

The following documents are required for application to the Concurrent Enrollment Program for high school students.

- 1. Application for Concurrent Enrollment
- 2. Application for Admission
- 3. Official High School Transcript
- 4. ACT Scores
- 5. Documentation of Student Vaccination Status
- 6. Concurrent Enrollment Student Contract

Please contact the Office of Academic Outreach for admission, class schedules, and enrollment assistance at (405) 733-7951 or (405) 736-0350. Additional information can be found at: rose.edu/concurrent

Rose State College Foundation Scholarships

The Rose State College Foundation awards scholarships to students attending or planning to attend Rose State College. These scholarships are awarded on the basis of academic achievement and/or financial need. Each scholarship has its own criteria. To receive consideration for a Rose State College Foundation scholarship, applicants must complete an on-line application. Go to www.rose.edu/scholarships and click on the "Apply Here" link. High school and transfer students need to provide the Office of Admissions and Records with an current transcript in order for your application information to be verified. **Incomplete applications will not be considered.** For additional information, please contact the Foundation Office at (405) 736-0315.

The Foundation Scholarship Application is available January 1-December 31 each year. Each scholarship has specific criteria that must be met for consideration for an award. The individual criteria are listed on the website.

The four main priority deadlines throughout the year are:

- March 1 Leadership Scholarships
- April 1 Division Scholarships
- July 15 Health Science Scholarships
- November 1 Spring Scholarships

Who can apply?

Any student planning to attend or currently attending Rose State College can apply. Most scholarships require at least a 2.5 GPA to qualify.

How do I apply?

The application process is easy and accessible online. To apply, go to rose.edu/scholarships and click on the "Apply Here" link on the left sidebar. Once the application is completed, submit the application. To confirm submission, the student will receive a confirmation email for their records.

Do I fill out an application for every scholarship?

No, to apply for all Rose State College scholarships and tuition waivers, students will only submit ONE application, the General Scholarship Application, for the academic year.

How soon will I find out if I received a scholarship?

There is not a specified date for notification of acceptance. As soon as each committee makes their decisions, students will be notified via the email provided on the application. Typically this occurs within six to eight weeks of the scholarship closing date.

How are scholarships chosen?

A computerized matching process ensures that each applicant is reviewed for scholarships for which they qualify. A student may qualify to be considered for numerous scholarships. Various committees made up of Rose State College faculty and staff members review each application and select recipients. A student can only receive one Foundation scholarship per semester, but if more than one is awarded, the student will receive the award with the highest dollar amount.

STUDENT SERVICES

College Snapshot/New Student Orientation

Rose State College offers a comprehensive orientation program for new students called College Snapshot. Scheduled during the week prior to the start of the fall academic semester, College Snapshot provides entering students and their families the opportunity to become familiar with the Rose State College campus. A conference-style setting offers students the ability to choose a customized track of informational sessions to meet individual needs. Sessions cover a wide array of topics ranging from student services and financial aid to college expectations and degree options.

For more information on this free event, please contact the Office of Student Engagement at (405) 733-7372.

Counseling Services

The goals of counseling services are to help students achieve their educational goals, learn the process of problem-solving and decisionmaking, and develop the capacity for a satisfying educational experience at Rose State College. Counseling is a confidential service oncampus where you can talk with a licensed counselor when you are feeling depressed, lonely, confused, upset, or just stressed. Referrals to outside services are provided when necessary. Appointments can be made by calling (405) 733-7373, or visiting the Special Services and Outreach Office located in the Learning Resources Center, Room 106.

TRIO Student Support Services

The TRIO Student Support Services program is designed to provide a variety of academic support services to students. Services include advising, tutoring, transfer assistance, visits to 4-year institutions, cultural trips, access to private student lounge and computer labs, workshops and a library of academic resources. The purpose of the program is to ensure that participants persist in college and earn an associate's degree or certificate and then transfer to a 4-year university to earn a bachelor's degree. Students are accepted by application and must meet eligibility requirements. Additional information can be found online at https://www.rose.edu/student-support-services, by calling (405) 733-7379, or by visiting the Student Support Services office located in the Student Services Building, Room 209.

Tutoring

Free tutoring is available in the Tutoring Center to all Rose State College students, both by appointment and on a drop-in basis, for many generaleducation courses (subject to tutor availability). Computers are available in the Tutoring Center for students to work on class assignments. Students have 24/7 access to online tutoring through our partnership with Tutor.com. For more information, visit Irc.rose.edu and click the Tutoring Center link or call (405) 733-7417.

Veteran Information

OFFICE OF VETERAN STUDENT SERVICES, STUDENT SERVICES BUILDING, ROOM 107

All students who may be eligible for Veterans Educational Benefits (GI Bill®) should visit the Veteran Student Services Office. Students who are Veterans, spouses of Veterans, or children of Veterans may qualify for educational benefits. The staff in the office of Veteran Student Services can advise students on benefits available, how to apply for benefits and how to maximize benefits.

Students who qualify for Veterans Educational Benefits must have their enrollment certified by Rose State College to the Department of Veterans Affairs every semester. This is not automatic and must be initiated by the student.

Rose State College Summer Schedule 2023 Off-Campus & Partnership Programs

UNIVERSITY OF OKLAHOMA-AIR FORCE RESERVE OFFICER TRAINING CORPS (AFROTC)

AFROTC is a nationwide program that allows students to pursue commissions (become officers) in the United States Air Force (USAF) while simultaneously attending college. AFROTC classes are held on college campuses throughout the United States and Puerto Rico; students can register through normal course registration processes. AFROTC consists of four years of Aerospace Studies classes (Foundations of the USAF, Evolution of USAF and Space Power, Air Force Leadership Studies, and National Security Affairs/Preparation for Active Duty), and a corresponding Leadership Laboratory for each year (where students apply leadership skills, demonstrate command and effective communication, develop physical fitness, and practice military customs and courtesies). College students enrolled in the AFROTC program (known as "cadets") who successfully complete both AFROTC training and college degree requirements will graduate and simultaneously commission as Second Lieutenants in the Active Duty Air Force.

The AFROTC program is currently offered at the University of Oklahoma, but they have a crosstown agreement that allows our students to enroll in AFROTC and become full-fledged cadet participants. For more information on AFROTC course descriptions, please review http://www.ou.edu/enrollment/course_catalog.html and browse for the AERO classes. For more information on the AFROTC program, please review http://www.ou.edu/rotc/air-force.html.
