

**ARTICULATION AGREEMENT
BETWEEN SOUTHWESTERN OKLAHOMA STATE UNIVERSITY
AND ROSE STATE COLLEGE**

**Associate of Applied Science in Health Information Management (RSC)
and
Bachelor of Science in Health Information Management (SWOSU)**

OVERVIEW:

This formal program articulation agreement is made and entered into by Southwestern Oklahoma State University, hereinafter referred to as SWOSU, and Rose State College hereinafter referred to as RSC. By this agreement, SWOSU and RSC express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures, which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

PURPOSE:

This agreement provides students who have earned an Associate of Applied Science in Health Information Management at RSC the opportunity to complete a Bachelor of Science in Health Information Management at SWOSU. Any RSC student who has earned an Associate of Applied Science in Health Information Management and adheres to the guidelines within this agreement is guaranteed that SWOSU will accept the AAS courses toward the fulfillment of general education and program course requirements in the Health Information Management BS degree (BSHIM). This agreement also allows an RSC Applied Associate of Science in Health Information Management graduate to enter the Health Information Management BS program at SWOSU.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

RSC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as SWOSU students enrolled under the Health Information Management BS program.

Criteria for acceptance into SWOSU will be the same for transfer as for native students.

RSC, upon request of students, will provide verification of completed courses to SWOSU through its Office of Admissions and Records. The transcript of students transferring from RSC will be evaluated by the Registrar's office at SWOSU.

Transfer students from RSC will have access to financial aid, scholarships, and student services on the same basis as native students.

A minimum grade of "D" in all general education courses must be maintained to qualify for transfer under this articulation agreement. A minimum grade of a "C" in all programmatic courses must be maintained to qualify for transfer under this articulation agreement.

SWOSU will apply the same academic progress and graduation standards to RSC transfer students as those applicable to native students at SWOSU.

Section II: Transfer of Credit

All courses taken at RSC for the AAS in Health Information Management will be accepted for transfer to SWOSU toward completion of the Bachelor of Science in Health Information Management degree requirements. Should RSC students have more GE classes to transfer, those will be considered. However, **RSC students will be required to have completed at least 60 credit hours at SWOSU with a minimum of 40 hours at the 3000 to 4000 level upon graduation.**

Transfer students from RSC, upon acceptance into the Health Information Management program at SWOSU, will have junior standing at SWOSU.

**Associate of Applied Science in Health Information Management
Years 1 & 2 (RSC)**

Section A: General Education Requirements – 19 Hours Required

English Composition I	ENGL 1113
English Composition II	ENGL 1213
U.S. History	HIS1483/1493
American Federal Government	POLS 1113
Anatomy & Physiology	HSBC 1104
Human Pathology	HSBC 2103

Section B: Program Requirements - 39 hours as directed by advisor

Introduction to Health Information	HSHI 1104
Healthcare Law and Compliance	HSHI 1113
Health Information Statistics & Data Display	HSHI 1213
Professional Practice Experience I	HSHI 1222
Ambulatory Coding	HSHI 1233
Health Data Management	HSHI 1243
ICD Coding I	HSHI 2203
Health Information Management	HSHI 2213
Professional Practice Experience II	HSHI 2222
Healthcare Reimbursement & Rev Cycle	HSHI 2223
Quality Improvement	HSHI 2232
Health Information Seminar	HSHI 2332
ICD Coding II	HSHI 2423
Coding Practicum	HSHI 2572
Pharmacology for Health Information	HSHI 2631

Section C: Support and Related Requirements - 6 hours

Microcomputer Applications	CIT 1093
Medical Terminology	HSBC 1113

Bachelor of Science in Health Information Management

Years 3 & 4 (SWOSU)

Section A: General Education Requirements – 25 hours (online options)

Students must meet all SWOSU GE requirements. All GE transfer courses will be applied.

Humanities	6
Life Science	4
Physical Science	3
College Level Math	3
General Psychology	3
GE Elective	3
Public Speaking / Tech. Presentations	3

Section B: Degree Requirements – 40 hours (online)

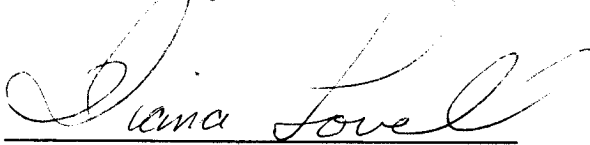

Healthcare Project Management	ALHLT 3963
Introduction to Electronic Health Records	HIM 3223
Cultural Competence in Healthcare	ALHLT 3183
Advanced Electronic Health Records	HIM 3123
Healthcare Finance	HIM 3453
Health Information Applications	HIM 4023
Health Data Integrity	HIM 4213
Health Data Informatics	HIM 4093
Healthcare Compliance and Risk Management	HIM 3363
Professional Practice	HIM 4052
Health Information Management	HIM 4033
Health Data Analysis	HIM 4073
HIM Professional Review	HIM 4082
Management Practicum	HIM 4153

TERMS OF AGREEMENT:

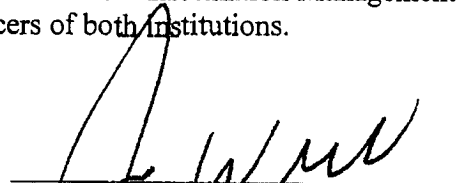

This agreement is made and entered into immediately and remains in force unless changed in writing by mutual agreement of both parties. The agreement may be amended at any time with the approval of both parties and is subject to regular review to assure currency with the respective degree requirements. Should either party desire to discontinue this agreement, advance notification of two years will be required.

Signatures:

Southwestern Oklahoma State University and Rose State College hereby enter into this program articulation agreement leading from the Applied Associate of Science in Health Information Management to the Bachelor of Science in Health Information Management by affixing of signatures of the chief executive officers of both institutions.
