MGMT 2803 Supply Chain Management & Logistics		

+Check course description for prerequisites that must be met.

### Suggested Order of Enrollment

The following courses should be taken in the sequence indicated. Because general education courses have multiple offerings, students should incorporate those courses into their schedule after their Business Administration Degree requirement courses have been determined. Some courses are offered only once each year; some courses are offered only in the day; some courses are offered only in the evening; and summer course offerings vary. Therefore, check the RSC Academic Catalog and/or class schedule for course offering specifics. The “+” symbol represents a prerequisite for the course. Any course offering is subject to change without notice.
